**April 23
3:30 - 5:00 pm Central**

**Dakota Center for Independent Living
3111 East Broadway Avenue, Bismarck**

Join the Movement!

Attend a local Unmasking Brain Injury event near you! Survivors will create masks of their own as a creative and artistic way to represent their experiences. No previous experience or artistic skills required. Everyone is welcome to participate in this movement across North Dakota to bring awareness to the daily lives of those with brain injury.

The Mission

PROMOTE awareness of the prevalence of brain injury

GIVE survivors a voice and the means to educate others of what it's like to live with a brain injury

SHOW others that persons living with a disability due to their brain injury are like anyone else, deserving of dignity, respect, compassion and the opportunity to prove their value as citizens in their respective communities.
