

# FREE ONLINE Traumatic Brain Injury Training

FREE Online Brain Injury Courses offered by the North Dakota Brain Injury Network! We want to help you meet your training needs. These 5 separate courses can help professionals, survivors, and family members learn more about brain injury.

- Introduction to Brain Injury
- Cognitive and Behavioral Consequences of TBI in Adults
- Primary Care and TBI
- Pediatric TBI
- Substance Use and TBI

Additionally these courses offer CEU credit for the following disciplines:

- Occupational Therapy
- Nursing
- Social Work
- Counselor Examiners
- Addiction Counseling
- Speech Language Pathology / Audiology
- Psychology

Also, if you are a Certified Brain Injury Specialist these courses can be classified as educational hours for your certification renewal credits.
