Presents:

Webinar Wednesdays!

A webinar series designed to meet your needs whether you are a brain injury/stroke survivor, caregiver, or provider.

The following webinars will be available live and will also be archived for later viewing. These webinars will be presented using the platform Zoom.

If you wish to log in via computer you can do so using the links below. If you would like to call in and listen, you may do that as well, by following the instructions on the link for the webinar you choose.

Series Schedule-Every Other Wednesday from 1:30-3:00 pm

August 26: I'm home, now what?

Megan Dooley, occupational therapist, will present ideas and techniques related to managing day-to-day activities following a brain injury.

Zoom Info: <https://und.zoom.us/j/98035227275>

September 9: TBI and the Homeless Population: Discussing the Problem and Exploring Possible Solutions

Tom Tatlock, MD, is a brain injury survivor and psychiatrist and will talk about the prevalence of brain injuries amongst homeless populations and some solutions to help eradicate that issue in our society.

Zoom Info: <https://und.zoom.us/j/93152180391>

September 23, 2020

NDBIN will be taking this Wednesday off from webinars in order to attend NASHIA (National Association of State Head Injury Administrators) 2020 Conference virtually. (*Our very own Rebecca Quinn will be presenting.*)

For more information on how to sign up for sessions: <https://www.nashia.org/sos-2020#!event-register/2020/9/21/annual-state-of-the-states-conference-1>

October 7: GoUniversal

Scott Bernstein with GoUniversal will present on *Environmental Modifications and Mobility Equipment* that enhance independence, safety, and quality of life for individuals after sustaining a brain injury.

Zoom Info: <https://und.zoom.us/j/97289307832>

October 21: The Intersectionality of Mental Health and Brain Injury

Aly Downs is an occupational therapist and certified brain injury specialist. She works at Dakota Alpha in Mandan, North Dakota's only skilled nursing facility intended for brain injury survivors. Aly will provide information on mental health and the connection to brain injury, rehabilitation, and wellbeing.
