March 24, 2021: Brain Injury Awareness Day
State Capitol, Bismarck

March 25 & 26, 2021: Mind Matters Conference
Baymont Inn, Mandan

This two day conference is for individuals with brain injury, family members, caregivers, and professionals. It highlights new research, trends, practice strategies, and collaborative models of care. Innovative approaches and new systems of care for individuals living with brain injury are presented.
