

FREE ONLINE Brain Injury Training for North Dakota Direct Service Providers

These three online courses offered through ND Train are required by the North Dakota Department of Health and Human Services for all direct service providers working with individuals with brain injury. Print and submit a copy of your certificate of completion upon provider enrollment with Medicaid.

These courses can be taken in one sitting or at three separate times, but all need to be taken. The final exam that follows each course needs to be completed with 70% accuracy or higher in order to gain your certificate of completion.

1. Introduction to Brain Injury (52 minutes)
2. Cognitive and Behavioral Consequences of Brain Injury (48 minutes)
3. My Client has a Brain Injury – Now What? (28 minutes)
