

2023–2027

# NORTH DAKOTA BRAIN INJURY STATE PLAN

**Key State Plan Partners:**  
ND Brain Injury Advisory Council  
ND Survivor Engagement Group  
North Dakota Brain Injury Network

## 1 Improve Services

Awareness of and referral to BI services available throughout the state. Enhanced community options and supports.

1

## 2 More Education

Understanding of brain injury for survivors, families and the public. Updated training and tools for ND educators and other providers.

2

## 3 Housing Resources

Brain injury voice within housing coalitions and community-based options for housing with BI supports.

3

## 4 Financial Resources

Smoother transition to community with quicker access to cash and health benefits. New options for assistance with better utilization.

4

## 5 Improve BI Data

Common terminology and data sharing across agencies to shape more responsive systems of care.

5

## 6 Engage Survivors

Increased survivor to survivor engagement, voice, advocacy, community participation, and connections.
