

Are you working as a
Peer Support?

Are you interested in
earning a **Brain
Injury Endorsement?**

The North Dakota Brain Injury Network (NDBIN) offers online training designed to meet your training needs. These five separate courses can help peer support specialists learn more about brain injury.

Take any three of these courses and receive your Brain Injury Endorsement from NDBIN.

- [Introduction to Brain Injury](#)
- [Cognitive and Behavioral Consequences of Traumatic Brain Injury \(TBI\) in Adults](#)
- [Primary Care and TBI](#)
- [Pediatric TBI](#)
- [Substance Use and TBI](#)

These courses are approved for Continuing Education Units for Certified Peer Support Specialists.

Email Carly at carly.endres@und.edu for your promo code and take these courses FREE!

Email Nickie at nicole.livedalen@und.edu for your Brain Injury Endorsement certificate on completion of your three courses.
