

# Save the Dates!

## March 23rd, 2017

### Brain Injury Awareness Day at the State Capitol

Come see the signing of the proclamation making March Brain Injury Awareness month and speak with representatives about brain injury in North Dakota.

## March 24th – 25th, 2017

### Mind Matters Conference on Brain Injury

Radisson Hotel • 605 E Broadway Avenue • Bismarck, North Dakota

This two day conference is for individuals with brain injury, family members, caregivers, and professionals. It highlights new research, trends, practice strategies, and collaborative models of care. Innovative approaches and new systems of care for individuals living with brain injury are presented.
